

RULES GOVERNING EXTRA-CURRICULAR ACTIVITIES ORGANIZED BY THE SCHOOL

Enrolment in a course is considered definitive only after the registration form and deposit pertaining to the course have been handed into the Secretariat, in accordance with the conditions set by the School.

Registrations made after the deadline set by the School will not be accepted. Exceptions will be evaluated, on an individual basis, by the School. No refund will be given in case of cancellation except under exceptional circumstances, which the school will evaluate on an individual basis. The School reserves the right to provide details concerning each single course even after registrations have been handed in. The feasibility of many courses depends on the number of participants. The School reserves the right to cancel courses that have not reached a minimum number of participants. The number of participants is decided separately by the School for each course. Any amount anticipated to the School for participation in courses will be refunded in case of cancellation by the School. This amount will be refunded on a pro-quota basis in case the course has already begun.

In general, all activities organized by the School are open only to students with a positive scholastic performance. Students who do not respect the disciplinary procedures of the School or have been assigned detention periods may be excluded from these activities during the disciplinary period. In this case, the School will reserve the right not to refund the registration fee already deposited.

Students who have accumulated serious disciplinary measures can be definitely excluded from any future participation in the aforesaid school activities. It is at the School's discretion whether or not to implement this disciplinary measure.
